

HEEL-THAT-PAIN

FEATURES

- This product works to stop pain quickly by applying acupressure directly beneath the pain hot-spots
- The **Heel Seat** (looks like a shoe pad) are made from KRATON®, specially researched and formulated to meet stringent anatomical specifications.
- They are washable and **extremely durable** for long-term use
- They flex as you walk or run, providing just the right amount of acupressure as your weight shifts without interfering with the fit of the shoe.
- The Heel Seats can be worn in **any type of shoe** with a backing, and the special material they are made from keeps them in place at all times.
